Eucalyptus + Sage — Monochrome

The image displays a color palette for the SS-31 Longevity product. On the left, there is a vertical representation of the product packaging: a white vial with a dark blue cap and a dark blue box. The vial label includes the text 'Cell Lean', 'SS-31', and 'Longevity'. To the right of the packaging are three color swatches with their corresponding names and hex codes: a dark blue swatch for 'CAP Dusk Slate #4E5C72', a greenish-blue swatch for 'FAVICON / QR Eucalyptus #7C8A78', and a dark blue swatch for 'BOX Steel Blue #6B8399'. At the bottom left, the text 'vial + box' is present. At the bottom right, a light blue rounded rectangle contains the text 'Eucalyptus + Dusk Slate'.
